The Cocoa Grinds Report supplied by The National Confectioners Association has changed. Beginning with the report for the First Quarter 2009, the report will cover grinds for North America, including Canada, Mexico and the USA. In addition, the reports will no longer include Liquor and Butter Melted. New reporting companies and plants have been added (see attached). Previous year comparative data is not available for new reporting companies.

The Cocoa Beans Ground metric tons have been adjusted to reflect currently transmitted revised data for the quarter ended September 30, 2019.

Attached is a list of companies who responded to the survey this quarter.
